

## Certification of REACH/ RoHS Compliance

### EU REACH regulation: Compliance for Substances in Articles

1. AAMP Global is **aware of its obligations as an Article supplier under the REACH regulation and its annexes.**
2. AAMP Global is **aware of the definition of an ‘Article’ according to the Reach Regulation.**
3. AAMP Global is **aware of the definition of a ‘Complex object’** i.e. object composed of several articles **according to the ECHA Guidance on requirements for substances in article.**  
<https://echa.europa.eu/fr/-/guidance-on-substances-of-very-high-concern-in-articles-updated>
4. AAMP Global is aware of its obligations under the **RoHS European Directive 2011/65/EU and its amendments** and subsequent annexes.
5. This certificate covers **all** the products (**or those listed**) supplied, (including their **associated packaging materials**), to: Anglia Components

To the best of our knowledge and belief **none** of the products **contain any of the Substances of Very High Concern listed in the Candidate List** (as and when updated). **with a concentration above 0,1% (w/w)**  
 Please find hereafter the link of ECHA website which contains the **last** version of the Candidate List to which this document pertains: <http://echa.europa.eu/web/guest/candidate-list-table>

Each time the Candidate List is reviewed by ECHA, AAMP Global undertake to review with their suppliers if Substances of Very High Concern with a concentration above 0,1% (w/w) (or as amended) are present in the products supplied.

Date: 14.03.2024  
 Completed by: **Paul Hoskins**  
 Job Title: **Head of Quality**
