

PRODUCT CHANGE NOTIFICATION

MULTIFUSE® PPTC RESETTABLE FUSES

Select Bourns® Model MF-LSMF Series Multifuse® PPTC Resettable Fuses *Change in Packaging Quantity*

Riverside, California – April 1, 2022 – Effective April 1, 2022, Bourns will change the packaging quantity of select [Model MF-LSMF Series Multifuse® PPTC Resettable Fuses](#). This change in quantity will improve the utilization of the packaging reel and packaging box. A list of affected models is included below.

The change in packaging quantity will not affect the form, fit, function, reliability or quality of the Multifuse® PPTC Resettable Fuses, as the products will not change. The reliability of the package reel should be improved.

Users should verify that the described changes will not impact the performance of the product in their specific applications.
