

Cree LED HB SMD LED Product Change Notification

Customer Name: For CV94 Customers

PCN Reference Number:

PCN-06088

Date Issued:

December 4, 2024

Please be advised that Cree LED qualified a change to HB SMD LEDs and that we will begin shipping the affected product after the proposed date.

Please review the additional PCN information below.

Affected Product

Table 1 provides the product series affected by this change:

Table 1 Affected Products List

Cree LED Product Series
CV94*_**_*_*****

Description of the Change

The manual visual inspection and manual cut process of the above product series will be replaced by an automated optical inspection (AOI) and a laser cut process. There will be no change to the specifications.

Reason for the Change

Enhance the glue overflow removal process and reduce escapes from visual inspection.

Change Impact on Form, Fit, Function, or Reliability

We will begin shipping the affected product after the proposed first ship date. This has no impact on the form, fit, function, or reliability of LEDs. No customer action is required. This product change affects neither the order codes nor the bin codes.

Key Dates

Table 2 provides an estimated date for key PCN Milestones based on information available at the date the PCN was issued. Any updates to this date can be provided by the Cree LED contact listed in Table 3.
