## Product change Laser marking for ThermoFuse varistors

The currently used ink marking process for EPCOS ThermoFuse™ varistors will be changed to laser marking to improve the readability of the markings.

### Affected products

Ordering code
B72214T2*
B72220T0*
B72220T2*
B72225T4*

Scheduled date of introduction: February 1, 2015

This change will have no effect on the form, fit, function, quality, reliability and lead time of the affected products.

The qualification has been performed successfully in accordance with our EPCOS internal quality guidelines. The changes have been considered in our P-FMEA. All quality assurance measures will be maintained.
