From: Littelfuse Product Management – Industrial Business Unit

Subject: Add CN Suffix to Solar Fuse product label manufactured at our Suzhou, China facility

Document Number: LFPCN_PG0130

Date: 10/25/2021

Regarding the above referenced, Littelfuse would like to inform you that there is an update to product labels of 0SPF, SPXI and SPXV Series Fuse manufactured at our Suzhou, China facility to include 'CN' Suffix information to match with our agency documentations. This change is only to the product label text printed and do not affect the construction or performance of the fuse.

Current Part Number Format	CN Added to Part Number	Comments
		<p>Add CN to part number to 0SPF series for China Manufactured Products</p>
		<p>Add CN to part number to SPXV series for China Manufactured Products</p>

		Add CN to part number to SPXI series for China Manufactured Products
-----------------------------------------------------------------------------------	-----------------------------------------------------------------------------------	----------------------------------------------------------------------

Going forward / Timeframe

Please refer to page 3 on this document for a list of products related to this change.

The effective date of this running change is Nov 1st 2021.

I will appreciate if you could also send this e-mail to anyone else whom I could have un-intentionally missed out.

Thank you for your continued business. If you have any questions, or need additional information please contact our Littelfuse representative.

Sincerely,

Augusto Sánchez
