Subject: SE-601 and SE-70X Series Temporary Faceplate and Switch Changes  
Document: LFPCN\_RC00056  
Date Released: October 25, 2021

Dear Valued Customer,

This letter is to inform you of two temporary changes to the SE-601 and SE-70X series product lines. Effective immediately, products listed below may include a grey faceplate insert and grey selector switches, as shown in the photos below. This change is temporary, and the products will revert to the original black faceplate insert and black selector switches when supplies permit. There is no change to the product operation or certification.

The following products are affected:
