## PRODUCTION TRANSFER NOTICE

### Panasonic Large can SMT Aluminum Electrolytic Capacitors (made in China only)

Dear Customer or Distributor,

First of all, we would like to express our sincere appreciation for your patronage against all Panasonic aluminum electrolytic capacitors related business.

Today, we have to inform a production transfer of Panasonic large can SMT aluminum electrolytic capacitors (13mm, 16mm and 18mm dia. products only), that we are going to stop the current production in China (Panasonic Manufacturing (Xiamen) Co., Ltd. (PMX) ) and gather all our resources to one other factory in Japan (Panasonic Electronic Devices Japan Co., Ltd. - Aluminum Capacitor Division (PEDJ Yamaguchi)) in order to keep offering more and the highest values to customers under the severe global competition in the market.

#### <Contents>

China made large can SMT Aluminum Electrolytic Capacitors  
(13mm, 16mm, 18mm dia. products)

Panasonic P/ N: EEV/EEE (M, Q)

Transfer the production from China to Japan

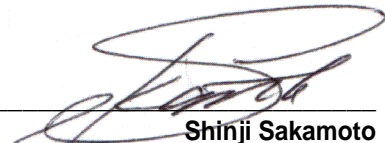

#### <For the China products>

Date of Last Buy: December 31<sup>st</sup> 2009  
Date of Last Shipment: February 28<sup>th</sup> 2010

We deeply apologize for any inconveniences caused by this transfer but we sincerely appreciate your understanding and cooperation on this matter. Of course, we guarantee same quality and performance for the products from Japan.

Please kindly contact your Panasonic counterpart if you have any further questions or requests.

Sincerely yours,

Shinji Sakamoto
