

**SUBJECT : Addition of the factory for Wire- Wound
Common Mode Choke Coil (DLW21 series / DXW21 series)**

Dear Sirs,

Thank you very much for your patronage on our products.

Please be advised that new factory in Malaysia is added for the production of Wire-wound Common Mode Choke Coil (DLW21 series / DXW21 series).

1. Applicable Products

- DLW21H series / DLW21S series
- DXW21 series

Please refer to Applicable Products List.

2. Contents of addition

Murata Electronics (Malaysia) Sdn.Bhd. is added as the factory of Common Mode Choke Coil..

- The present production factory : Tome Murata Mfg. Co., Ltd.
- The additional production factory : Murata Electronics(Malaysia).Sdn,Bhd.

3. Reason for addition

In order to satisfy our customers for the delivery, by enlargement of production capacity.

4. Effective Date

- DLW21H series From the beginning of April 2012.
- DLW21S / DXW21 series From the beginning of May 2012.

5. Quality

- We assured that the quality and specifications of the products from Murata Malaysia factory will be same as Tome Murata factory.
- The materials, processes, inspections and specifications will be same for both factories.

6. Request to you

If you have any special inquiry and/or questions, please feel free to contact with us.

If we do not receive any reply or requests from you **by Mar.31.2012**, we will proceed to this change.

Thank you very much for your cooperation and understanding in this matter.

Yours faithfully

K.Utsumi/Manager
