Description of Change / Notice			
<p>AVX would like to take this opportunity to advise customers of the need to utilize worldwide manufacturing capability for the supply of AVX Automotive grade Surface Mount Ceramic capacitors with FLEXITERM® . There are no changes proposed from the design, fabrication, test or packaging of the current devices. This announcement provides notification of our intention to include the AVX El Salvador facility as an option for the manufacture of FLEXITERM® automotive grade (AEC Q-200 qualified) capacitors. This plan provides capacity optimization, disaster recovery planning & multi-site sourcing for the above products.</p>
