TITLE				
Addition of Diodes FabTech as an alternate wafer fab source for devices listed in the attachment below.				
IMPACT				
None Identified.				
DESCRIPTION OF CHANGE				
This PCN is to notify customers of the qualification of Diodes FabTech wafer fabrication site in addition to the previously qualified wafer fabrication site in order to assure continuity of supply to our customers. Affected products are listed in the attachment. Full electrical characterization and high reliability testing has been completed using representative devices to ensure no change to device functionality or data sheet electrical specifications.
