

Product/Process Change Notice - PCN 23 0230 Rev. -

Analog Devices, Inc. One Analog Way, Wilmington, MA 01887, USA

This notice is to inform you of a change that will be made to certain ADI products (see Appendix A) that you may have purchased in the last 2 years. Any inquiries or requests with this PCN (additional data or samples) must be sent to ADI within 30 days of publication date. ADI contact information is listed below.

PCN Title: Notification of Qualification of Die Thickness Update for LTM4702

Publication Date: 15-Nov-2023

Effectivity Date: 17-Feb-2024 (the earliest date that a customer could expect to receive changed material)

Revision Description: Initial Release

Description Of Change:

Die thickness updated from 450um to 200um.

Reason For Change:

Better manufacturability of the product.

Impact of the change (positive or negative) on fit, form, function & reliability:

There is no impact on the product's fit, form, function or reliability.

Product Identification (this section will describe how to identify the changed material)

The cut-off date code will identify the product. A cut-off date code will be provided upon customer request.

Summary of Supporting Information:

Qualification has been performed per Industry Standard Test Methods. See attached Qualification Results Summary.
