Please be advised that Cree® LED qualified a change to HB SMD LEDs and that we will begin shipping the affected product with the change 30 days after the PCN Issue Date.

Please review the additional PCN information below.

### Affected Product

Table 1 provide the product series affected by this change:

Table 1 Affected Products List

Cree LED Part Number
CLY6C-FKC-xxxxxxx

### Description of the Change

CreeLED has qualified alternative material (chips, lead frame, gold wire, encapsulant) for the above product. There is no change to the product specifications.

### Reason for the Change

This change ensures security of supplies.

### Change Impact on Form, Fit, Function, or Reliability

We will begin shipping the affected product 30 days after the PCN issue date. Each reel of LEDs will contain LEDs with either the current material or the alternative material. Current and alternative material LEDs will not be mixed on a reel. Shipments will not contain a mix of current and alternative material. This has no impact on the form, fit, function, or reliability of LEDs. No customer action is required. This product change affects neither the order codes nor the bin codes.

### Key Dates

Table 2 provides estimated dates for key PCN Milestones based on information available at the date the PCN was issued. Any updates to these dates can be provided by the Cree LED contact listed in Table 3.
