PCN512: Hencol Color Replacement
Issue Date: September 06, 2024

Dear Valued Customer,

This notice is to inform you of a color change in the silicon dip material utilized in material(s) you have purchased from Littelfuse.

Description of the Change:

Littelfuse will replace the current gray silicon dip material with a black silicon dip material; the only change in these materials is colors, and all other functional performance characteristics remain constant.

**Reason for The Change:**

Our supplier of this material has obsoleted the gray silicon dip material and has suggested this black silicon dip material as its functional replacement.

Effective Date of the Change:

This will be conducted as a running change, starting at the end of Q3 of this year.

What You Need to Do:

There is no action at this time; there is no change in fit or function of the affected products.

If you have any questions, please contact your Customer Service or Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

Luisa Cuevas
Associate Product Manager
Littelfuse Commercial Vehicle Products
