## Product Change Notice (PCN)

May 17<sup>th</sup>, 2023

LFPCN# 41479

### Product Change Notification for Silicone and Phenolic coating Radial Lead Varistors

To whom it may concern,

Littelfuse would like to notify you of changes related to Silicone and Phenolic coating Radial Lead Varistors' packing materials, minimum packing & order quantity (MPQ & MOQ). Please refer to the following change summary table.

	Current Packing	Current Packing Photo	New Enhanced Packing	New Enhanced Packing Photo
Inner box Carton Wall Thickness	1.5mm		3mm	
Buffer Sponge	1pcs: top		2pcs: bottom and top	
Support Carboard Thickness	None		3mm	

These changes have no impact to product's original electrical and dimensional parameters.

These changes will be implemented starting from **August 18<sup>th</sup>, 2023**, during the change transition period, customers are expected to receive current and new packing products until current product inventory in Littelfuse warehouses and distribution channels are depleted. Our Sales Team will contact you for necessary open order quantity adjustment.

Please see attached the affected part number list and MPQ & MOQ details and respond to us by **June 18<sup>th</sup>, 2023**, to acknowledge this product change notification. If we do not hear from you, we will expect this product change notification has been accepted and no further action is required. Thank you.

Best Regards,  
Amy Chu  
Global Product Manager  
Littelfuse, Inc.
