### **Notification of Product/Process Change**

**Doc. No.: 302400A**

This letter intends as a formal notification of change to products which are currently supplied by ROHM Co., Ltd.

ROHM Co., Ltd. requires customers to provide acknowledgment of the receipt of this notification within 30 days from the date of this notice. Lack of acknowledgment of this notice within 30 days is considered as acceptance of the change.

After acknowledgement of the customer, lack of additional response within 90 day period constitutes acceptance of the change according to JEDEC Standard J-STD-046.

Your understanding and cooperation would be highly appreciated.

Issue Date: September 1, 2024

Title of change	Process change from Hoop-line to Wide-line for consumer grade (TSMT3,6) power transistor packages	
Affected product(s)	Manufacturer part number	Customer part number
Detailed description of change	Before	After
	Assembly line:HOOP-line	Assembly line:Wide-line
Reason for change	In order to optimize the production efficiency at our manufacturing sites, ROHM has decided to replace the listed products with newer technology which has following benefits. 1.Improvement of productivity through the introduction of new production equipment. 2.Standardizing to the industrial standard (Halogen free, Solder plating). 3.Improvement of lot traceability.	
Anticipated impact on quality	It has been confirmed that there is no difference in quality.	
Identification of change	This can be identified by checking the production history from the lot information.	
Planned first ship date	September 1, 2024	
Qualification plan schedule, results and samples	If required, please contact the local ROHM sales office or the authorized distributor.	
Comments	Production of Hoop line will end in March 2028. We would like you to change to Wide-line products.	
Supplier contact	Please contact the local ROHM sales office or the authorized distributor.
