Magnetic Sensors Marking change from Printing to Lasering

Dear Valued Customer,

Littelfuse would like to notify you of marking technology change from printing to lasering for some products from the magnetic sensors range. There will be no other changes to the form, fit and function of these sensor.

For the products affected and the marking style, please refer to Table 1 on next pages.

The change will start from May.11th 2024 and keep running until all affected P/Ns are finished. During this period, you might receive these parts with both markings.

If you have any additional questions or concerns, please contact me or your Regional Sales Manager.

Best Regards,
