CHIP DIODES

June, 2015

Addition of Sub-Supplier for the Bourns® Model **CDDFN10-0524P TVS Diode Array**

In order to support our fast growing demand, secure continuity of supply and provide maximum flexibility to our customers, Bourns has qualified a new additional die attach film supplier at our existing assembly/test site.

There is no change to the form, fit or function of the product. The product marking and label are unchanged. Unless your company has been notified otherwise by Bourns, products using the newly qualified die attach film supplier will begin in October, 2015. For clarification, products shipped from October, 2015 may use die attach film from either the existing or the newly added sub-supplier. Qualification test data and/or evaluation samples are available upon request.

Implementation dates are as follows:

Date deliveries of modified products will begin: October, 2015

First date code using the above changes: 1539

If you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
