Addition of Lead Frame Sub-Supplier for the Bourns® Model CDDFN2-T3.3B and CDDFN2-T5.0LC Surface Mount TVS Diodes

In order to support our fast growing demand, secure continuity of supply and provide maximum flexibility to our customers, Bourns is working with our existing assembly/test subcontractor to add a second lead frame sub-supplier for Bourns® Model [CDDFN2-T3.3B](#) and [CDDFN2-T5.0LC](#) Surface Mount TVS Diodes.

The manufacturing process remains unchanged; there is no change to the fit, form, function or reliability for the products. Traceability is maintained through the lot code and date code. The product marking and label are unchanged. The country of origin will remain China. Evaluation samples and qualification data are available upon request.

Unless your company has been notified otherwise by Bourns, deliveries of such products may occur 90 days after the date of this notice.

Implementation dates are as follows:

*Date that deliveries of modified products will begin: **May 17, 2016***

*First date code using the above changes: **1614***

If you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
