

Notification of Change

27th September 2018

CamdenBoss wishes to inform you that the items listed below have been changed.

Type of Change:

Minor – Change does not affect function of product

Affected Products:

2955-20R-1
2955-20R-2
2955-20R-3
2955-20R-4
2955-20R-5

Proposed date of change:

When current stock is depleted

Effects of change;

We have made significant improvements to the 2955-20 key fob enclosure. Existing PCB's will be able to be dropped into the new version with no design changes required. Here are the highlights:

- Existing PCB's can be dropped in without any changes
- Elimination of the ring insert (button holes moulded directly on to the cover)

Old version (2955-20R-4)

New version (2955-20R-4)

- Higher quality ABS plastic
- Gate mark on bottom surface eliminated, and moved to inside for improved aesthetics

Old Version

New Version
