CHANGE DESCRIPTION

Cree will begin shipment of the XLamp CXA and CXB LEDs listed above having a Cree logo and anode indicator of a different color. Examples of CXA1830 LEDs with the current and new visual appearances are shown in the pictures below. These new appearance XLamp CXA and CXB LEDs meet the product specifications stated in the data sheet.

Current Appearance

New Appearance

IMPACT OF CHANGE

Beginning September 3, 2015, Cree will begin production of XLamp CXA and CXB LEDs with a new visual appearance. Trays of these XLamp CXA and CXB LEDs may contain a mixture of LEDs of both current and new visual appearance, and shipments may be mixed

between current and new visual appearance until Cree's inventory of the current appearance LEDs is depleted. Customers purchasing through a distributor will be further delayed to see this change until the inventory with current appearance is depleted from distributor stock.

No customer action is required.
