Notification of production location change (country of origin) and approval request

We truly appreciate your significant support always.

We are currently planning on the captioned change for the reasons described as below.

Forwarding shares the notification in advance. Your approval on the change will be appreciated.

1	Target product	Please refer the attachment product list.
2	Changes	Change in production location (country of origin). Japan → China (Hirose Dongguan factory) *The production facilities currently used in Japan will be transferred to China. * There is no change of facilities itself and materials.
3	Reason of the change	To improve productivity.
4	Delivery timing of the changed product	Planned to be executed from January 1st 2021 production

It will be appreciated if you could kindly inform our sales representative of your approval by the requested date shown as above. Please note that if we did not receive your reply by the requested date, the changed product will be delivered as described in the document. If there is any unclear part, please kindly contact our sales representative in charge.
