Notice of Change of Mother Plant for Products Manufactured Overseas
and Request for Your Acknowledgement

We sincerely appreciate your continued patronage.

Hirose Electric would like to inform you that the mother factory of some of the products, that have been manufactured at the our Malaysia and Dongguan Factory under the control by the current mother factory in Japan, will be transferred to the Malaysia and Dongguan Factory.

The change this time is only the change in the mother factory and will not cause any change in the manufacturing location, facilities, or materials.

This letter is intended to provide you with previous notice. Thank you for your understanding.

1. Products to be affected

Please refer to the list in the attached sheet.

2. Details

Among the products that have manufactured in overseas factories, some have been controlled through instructions issued by Japan as the mother factory regarding from production at the Malaysia and Dongguan Factory to shipment. From now on, the Malaysia and Dongguan Factory will become the mother factory of those products and undertake the control from production to shipment.

3. Date of the change

We apologize for any inconvenience this may cause, but the change will be applied to products manufactured on December 1, 2015 onward.

4. Confirmation of your approval

We appreciate it if you could inform our sales representative whether or not you can approve the request by November 30, 2015.

Please bear in mind that products, to which the change mentioned in this letter is applied, will be delivered when we have not received any answer from you by the date above.

If you have any questions, please do not hesitate to ask our sales representative.
