

Product Change Notification

LFPCN#: 41294

Issue Date: 3/16/18

By: Dhatri Bhatt

Global Product Manager

DBhatt@littelfuse.com

Type of Notification:

Cosmetic Change

Description of Change:

T-Line TSM series marking change

Implementation Date:

June CY18

Product Affected:

- Part description (Part Ordering Number)
 1. TSM Series
 - a) TSM600-250F-2 (A88766-000)
 - b) TSM600-250F-RA-2 (A88390-000)
 - c) TSM600-400F-2 (E12392-000)

Additional Information:

- Reason for change:

Currently the TSM series has ink marking. As a process improvement, the marking will be changed to laser marking. This is a minor cosmetic change that will not affect form, fit or function.
- Scopes of the change:
 1. **Part appearance will be changed due to minor cosmetic change of marking.**

**Current
Ink Marking**

**New
Laser Marking**

- No Change to the following:
 1. Data sheet will remain the same
 2. Part description and ordering number will not change.
 3. Part material will not change.
 4. Part specification and performance will not change.
 5. Part MOQ and packaging method will not change.

Note: Customer should acknowledge the receipt of PCN within 30 days of PCN delivery. Lack of acknowledgement of the PCN within 30 days constitutes the acceptance of change. After acknowledgement, lack of additional response within 90-day period constitutes acceptance of the change.

Please contact your local Littelfuse salesperson with any questions and requests.
