4M Change Notice

DCDC Converter

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.
This is the official notification that some of our products' 4M Change will be proceeded as detailed below.
Please review this, and confirm that you will expect to receive products after this 4M Change.
Your understanding and support are highly appreciated.

1. Product Type, Changes, and Customer/Murata/Alternative Part Numbers:

Product Type: DCDC Converter

Please refer to the attached documents for detailed Part Numbers' information.

Changes: Man Machine Material Method

Add the production factory of object DCDC converter as follow:

Before Change	After Change
Wakura Murata Manufacturing Co., Ltd.	Murata Electronics(Thailand).Ltd. Wakura Murata Manufacturing Co., Ltd.

2. Reasons/Background:

In order to maintain sound business operations of the DCDC converter and for future capacity expansion, Murata will transfer DCDC converters production in Murata Thailand.

3. Products Before and After the Change:

Even after factory change, we will produce with the same design, equipment, materials and process control methods. There is no difference in facility structure, quality and datasheet.

4. Change Schedule:

Production Start in New Factory: July. 1, 2020
Products' delivery from the New Factory will be started sequentially after factory starts production.

5. Contact Window:

Should you have any questions or concerns, please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
