### **Detailed description of the change**

Technical description – purpose

As part of our ongoing improvement process, the Pcs./Pkt. and package sizes have been changed.

Technical description – detail

The packaging size will change for all items. Furthermore, the Pcs./Pkt. for items with a number of positions between six and nine will change from 25 to 10 items per package. There are no changes to the items themselves in terms of the technical performance data, approvals, the PCB layout, or the dimensions of the PCB terminal block.

Identifying characteristics

Production batch V/C on the packaging label
