

Change Notification

- Product Change Notification (PCN)
- Manufacturing Change Notification (MCN)
- End Of Life Notification (EOL)

Change No.: PCN141116CV

Reference: CO20002078

Category of change:

- Material
- Method
- Manufacturing place
- Machine
- Form
- Fit
- Function

Affected products:

FN3026HL-Series

FN3026HP-Series

FN3025HL-Series

FN3025HP-Series

Description of change:

Due to end of life of injection molding tool, the plastic parts have been slightly modified for achieving a Poka Yoke design. Plastic parts produced with the new tool could have a slightly different appearance.

At the same time the label has been updated and the CE sign been added.

Identification:

Introduction date:

End of February 2017.

Impact for the user:

No impact on fit, function and performance of filter – refer to description of change.
EMI filter part remains unchanged.

Quality assurance measures:

All Schaffner entities involved in this change act according to the rigorous processes defined under the ISO 9001:2008 program, or exceeding Schaffner standards for outstanding quality.
