2 Type of change

Product improvement, change of material.

3 Detailed description of change

Change to a new thermoplastic material. New material is a high performance polyethylene terephthalate.

4 Reason of change

Change the material of the OGN-SMD fuseholder to improve the product quality.

5 Release date

The change came into effect on October 6th 2014 (date code 1441 or higher on label).
First delivery date is dependent on the variant.

6 Impact of change and recommended action

Form: No (material change only)
Fit: No
Function: No
Production Site: No
Product Label: No
