**Process Change Notice**

we would like to inform you of changing TDK item name about High Voltage Ceramic Capacitors (disk type with lead wire) in this notification below, in accordance with requirement of more detailed inspection concerning customs clearance system at Xiamen in China.

TDK has been accelerating overseas production and supply, and now TDK Xiamen became the main production factory of High Voltage Ceramic Capacitors.

This time, it is necessary for us that we have to change the item name.

As a result, however, we are afraid that the item name has to be changed by adding suffix of two letters at the end of the current item name after that.

Therefore, we would like to ask you to confirm and accept this add suffix to item name ((current item name) +two letters) as minimum changing below. And furthermore, please note that there is no changing of this specification and quality about the products at all. TDK would like to ask you to kindly accept this again.

1. Object of products

Product name	Production base	Object of products
High Voltage Ceramic Capacitors (disk type with lead wire)	TDK Xiamen in China	All products
	TDK Taiwan in Taiwan	All products (applied to products made in TDK Taiwan)

Safety standard products that have already acquired safety standard certification are also included in the scope.

Safety standard certification is authentication and registration as a series, and it is not subject to registration product name with its all ending suffix.

Item name Application scope Example: CS45 - B2GA101K

(Applicable scope is from the top of the part name to the 14 letters)

2. Contents of change

	Current	After changing
High Voltage Ceramic Capacitors (disk type with lead wire)	Item Name: 18 letters max.  For example : CD10-B2GA102KYVKA	(Current Name)+□□ : 20 letters max.  For example : CD10-B2GA102KYVKA20

3. Schedule of changing

January 2019 deliveries in order.

Planned Date: 2019/Jan	Response Date By: 2018/Oct/31	Last Order date for current spec: 2018/Dec/31
------------------------	-------------------------------	---

Attachment: No
