**Product Withdrawal Notice**

General Purpose High-Q Multilayer Ceramic Capacitors  
GQM18 and GQM21 series "Old design type (50V and 100V)"

Dear Valued Customer,

Thank you very much for your great and continued support for business with Murata.  
This is the official notification that some of our products will be discontinued as detailed below.  
Please review and provide your approval of this notice in writing by the Feedback Due date.  
Also, please place any orders by the Last Time Buy date as needed.  
Your understanding and support are highly appreciated.

**1. Product Type, Customer/Murata/Alternative Part Numbers:**

Product Type: General Purpose High-Q Multilayer Ceramic Capacitors  
GQM18 and GQM21 series "Old design type (50V and 100V)"

Please refer to the attached documents for detailed Part Numbers' information.

**2. Reasons/Background:**

Murata has developed a new design for the GQM18 and GQM21 series with improved performance regarding rated voltage and high frequency characteristics. Therefore, we will focus our production on the new design type products and discontinue the old design type products.

**3. Product Withdrawal Schedule:**

Last Time Buy ( \* ): December 31, 2019  
Last Production Date: March 31, 2020  
Last Shipment Date: September 30, 2020

(\*) Last Time Buy order is subjected to Minimum Order Quantity and Package Quantity.  
Order Cancellation and Product Return will be accepted only in the case of quality issue.

**4. Feedback Due:**

**December 31, 2018**

Please provide your approval of this notice or advise whether you need further discussion and/or adjustment with Murata.

**5. Contact Window:**

Should you have any questions or concerns,  
please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
