Comments

This message is in reference to PDN 24_0113 related to Vishay Siliconix deciding to End of Life (EOL) their Maxpower Low-Voltage Silicon MOSFET component, which may be impacting products you use. ADI does not obsolete parts that still have customer demand unless driven by exceptional circumstances and recognizes that customers value the reliability of long-term production assurance.

In this particular case, ADI is taking special measures to support customers with the following actions:

-We are actively pursuing an alternative FET to be a direct replacement, please contact your sales representative for additional information.

Analog.com product pages have links to the PDN under each orderable part number and updates to display alternatives on product pages have been added. We apologize for any inconvenience this product discontinuance may cause and remain committed to minimize impact to you.
