	<input type="checkbox"/> Other (Brand Change)

Description of change	<p>Digi has been and remains committed to the longevity of our XBee product offerings. Digi has received notification of multiple EOL/LTB components from key suppliers affecting the XBee SX PRO products. Digi has worked extensively with our supply partners to enable Digi's end customers with a LTB purchase to provide continued lifetime availability of their products.</p> <p>The following Digi XBee Networking products will be phased out due to the obsolescence of critical components:</p> <ul style="list-style-type: none">• XBee SX Dev Kits• XBee SX PRO Modules• XBee SX Modems <p>Please see below for possible viable replacements of the obsolete part numbers or contact your Digi Sales Rep for recommendations.</p>
------------------------------	---

Affected Part Numbers	See Appendix
------------------------------	--------------

Timing of Change	Effective immediately
-------------------------	-----------------------

Last Time Buy	<p>Last Time Buy (LTB) orders must be received no later than March 14, 2025.</p> <p>Last Time Shipments (LTS) for allocated and confirmed orders no later than September 30, 2025.</p>
----------------------	--

EOL Terms and Conditions	<ul style="list-style-type: none">– All LTB Purchase Orders (PO) are non-cancelable and non-returnable (NCNR) and subject to final allocation and order confirmation.– Digi reserves the right to make shipments against the total quantity ordered as material becomes available.– Standard warranty policy will apply.
---------------------------------	--

Notes	<p>Customer Notification Please notify end customers using the part numbers referenced.</p> <p>Additional Information This LTB notice does not impact the XBee SX (non-PRO) modules.</p> <p>Future Replacement The XBee 3 XR 900 PRO is in development as a functional replacement and is both footprint, software, and over-the-air compatible. Customer samples will be available in August 2025 with production scheduled for later in 2025.</p> <p>Please contact your local Digi Sales Rep or preferred Distribution Partner for more details.</p> <p>If you have questions about this notice please contact your sales representative or our technical support department via email at tech.support@digi.com or by telephone at 952-912-3444.</p>
