Product Termination Notice (PTN)

February 5, 2025

LFPTN250205SXC

Product Termination Notification for Littelfuse IGBT half bridge and boost circuits in ISOPLUS-SMPD

To our valued Customer and Partners,

Littelfuse is announcing the termination of certain part numbers, listed in Annex 1.
The reason for the termination is the discontinuance of the supply of the chips used in these devices.

A last time buy is possible for some of the part numbers (see details in Annex 1):

- Last time buy window to submit an order: until **March 31st, 2025**.
- Last possible delivery date **December 16th, 2026**.

New, replacement products are planned for release mid 2026 (non-released devices' schedule and characteristics subject to change without notice).

We encourage you to contact your Regional Sales Representative or Field Application Engineer in case of questions.

Best Regards,

Antonio Quijano
Product Management Analyst, WBG and Multi-Chip Discrete
