Noise Filter NFZ2MSM Series

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.  
This is the official notification that some of our products detailed below shall be out of sales promotion with the immediate effect.  
Please review this, and refrain from designing the products affected into your new models and projects.  
Your understanding and support are highly appreciated.

**1. Product Type, Customer/Murata/Alternative Part Numbers:**

Product Type: Inductor DG6028, D52/53/62/63, DS75/84/104/106/126,  
DEM2812/2815/2818/3512/3518/4518, 5CCEG, FSDVA,  
LQM21PN, LQM2MPZ, LQM2MPN, LQM2HPN(Only some part numbers)  
Noise Filter NFZ2MSM Series

Please refer to the attached documents for detailed Part Numbers' information.

**2. Reasons/Background:**

The target series is a declining product, and there is a risk that the material will be discontinued due to a decrease in demand.

There is also a long-term supply risk due to aging production facilities.

Therefore, we will prohibit the new adoption of these series.

Please note that we plan to discontinue sales of these series in the future.

We plan to officially announce the end of production in about two years.

Last Time Order Due(Plan): Mar. 31, 2027

Last Shipment Date(Plan): Sep. 30, 2027

**3. Contact Window:**

Should you have any questions or concerns,  
please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
