Ferrite shielded wire wound inductor Discontinuation Notice

First of all, we would like to thank you very much for your continuous cooperation with TDK and our products.

This letter informs your company that TDK is planning to discontinue and stop production of the certain products we have been currently shipping to you.

Due to unification, we had to decide to discontinue manufacturing the products listed below.

This list shows your part number as well as our part number for each of end-of-life products and TDK part number of recommended alternative products wherever available.

We deeply regret to inform you of this discontinuation. However, because of above reason, please let us ask you for considering replacement with TDK's alternative product wherever possible.

In addition , please don't propose / recommend this products to new project.
