

November 4, 2020

Dear customers

[Notification] Silicon RF product high power Module (RA Series) Discontinuation of production

Thank you for very much for your great support on SiRF business.

With the discontinuation of production of component parts (PCB, capacitors), we have decided to discontinue the production of the corresponding 16 model names (as below table).

We apologize for the inconvenience caused on you, and your fully understanding and support would be highly appreciated.

Sincerely

Note

1. Applicable Products: RA30H/RA33H/RA60H Series
2. 16 models to be discontinued (as below Table(2) on page2)
 - For the model of No.1~11 in the table, we would like you to replace to the models that are referred on a separate notification.
 - We may be going to revise the price due to the cost increase of alternative materials.

2-1.Future Schedule for Last Time Buy (LTB)

- We would like you to summarize the LTB quantity for current products.

To be announced	End of December, 2020 (*1 below)
Last Time Buy Order	End of June, 2021
Last Time Buy Shipment	End of November, 2021

*1) Those numbers we like to have in December are not requested as an obligation to take, but we would like to have your best estimation on the LTB quantity since Miyoshi must give their LTB firm requests on the suppliers by early January.

The formal LTB orders would be requested to place in June 2021.

EOM
