Functionality change

PLCC Socket Chip Carriers are now End of Life

Details of Change

With immediate effect, all TAICOM PLCC socket parts are now discontinued. There are no direct alternatives currently available. However, we do have limited stocks of select PLCC Socket parts available on a first come first served basis until the stocks have been exhausted. Please contact our sales desk with your requirement ASAP to secure any remaining stock.

Reason for change

TAICOM factory have advised that due to broken tooling and market demand decreases it's no longer commercially viable to repair or open a new tool.
