Functionality change

TOL3216MR chip LED now End of Life

Details of Change

We have been informed by Titan Opto that chip LED part TOL3216MR is now EOL with immediate effect. There is no direct replacement available from Titan Opto for this part, however we may be able to offer an alternative part with similar specification, please contact our sales desk for more information.

Reason for change

Due to decreasing market demand for this part over recent years.

Please circulate this information to the relevant person(s) in your purchasing and engineering departments to avoid any disruption to your manufacturing.

Yours Sincerely

Anglia
