Phase-out of PSE EX

General

As part of our continuous efforts to optimise our processes and offer you an even better service, we would like to inform you that the article numbers of the previous PSE EX family will be discontinued.

Important notice:

Please note that we continue to offer a wide range of PSE switch products that can be a suitable alternative in many applications - even if they are not specifically ATEX-certified. We will be happy to assist you in selecting the most suitable product for your requirements.

An overview of the affected article numbers can be found in the attached list as well as on our Digital Asset Management Server (DAM) [1].

Phase-out Procedure / Time Schedule

Last orders can be placed until 7th February 2025. Delivery will be made while stocks last, but latest up to 30th May 2025.

Activities Sales

Please inform your customers that these products are no longer available.

Best regards,
