Non-use Declaration for EU REACH-SVHC
(Substances of Very High Concern)

We hereby declare that our products do not contain any substances of those listed in the candidate list released by ECHA (European Chemical Agency) beyond 0.1wt% (weight percentage) per each product according to the latest information available.

*(EC) No.1907/2006 Article59(1) Candidate List

However, Lead(CAS NO.7439-92-1) is excluded because of intentional use. Substance list is attached in following pages.

This letter does not directly mean any of full compensation against damages or claims may arise, unless our failure to obey the relative laws or directives are proved and unanimously confirmed. In any case, however, we would take our best efforts to solve and to prevent the problem by mean of cooperating with our affiliates.

***Item**

Please refer to Product List.

*Substance list : Please refer to the following URL.

*This declaration is valid only for the substance list as of the date of issue.

<https://echa.europa.eu/candidate-list-table>

*Please refer to the attached file regarding Lead containment detail of the concerned products.
